Portfolio: https://arvincaparros-porfolio.vercel.app/

PROFESSIONAL SUMMARY

Full Stack Developer with 4 years of experience, starting with desktop and internal systems and transitioning to full-stack .NET web development. Skilled in .NET, ASP.NET Core, SQL, modern frontend technologies, dashboards, process automation, and Tableau development.

TECHNICAL SKILLS

Languages: C#, JavaScript, SQL, HTML, CSS; PHP (working knowledge)
Frameworks: ASP.NET Core, MVC, WinForms, React (Basic)
Databases: SQL Server, PostgreSQL, MySQL
Tools: Git, SourceTree, Postman, Swagger, Visual Studio, VS Code
Others: REST APIs, Bootstrap, SignalR, Tableau, WordPress (CMS), AI-assisted development tools

PROFESSIONAL EXPERIENCE

Full Stack Developer
Brother Industries (Philippines) Inc.
January 2022 – Present

- Designed, developed, and maintained Windows-based internal systems using C# and WinForms, supporting daily operations across multiple business units.
- Built and enhanced internal web applications using ASP.NET Core (MVC & Razor Pages) with focus on usability, performance, and maintainability.
- Developed and optimized SQL Server stored procedures, views, and complex queries, improving report generation speed and data accuracy.
- Implemented real-time dashboards and system notifications using SignalR, enabling live status updates and improved operational visibility.
- Designed Tableau dashboards connected to SQL Server and PostgreSQL data sources to support management reporting and operational decision-making.
- Automated approval workflows and status tracking to improve process efficiency and reduce turnaround time.
- Collaborated closely with end users to gather requirements, deploy enhancements, troubleshoot production issues, and provide ongoing application support.
- Utilized AI-assisted development tools to accelerate coding, debugging, refactoring, and solution design while maintaining code quality standards.

Graphic Designer
Arneth Agrimarts Inc.
March 2021 - September 2021
(Early-career role; non-development)

EDUCATION

Bachelor of Science in Industrial Technology - Major in Computer Technology
Southern Luzon State University
2014 - 2018
